

Prexcyt Quest: The First Cryptex Hunt Solution Guide

Intro Video

When you listen through the video, you will notice strange video cuts throughout. At the very end, Justin says “See this video for a clue.” However, there’s a glitch and Justin sounds like he’s saying “See See this video for a clue” or “CC this video for a clue.” CC refers to Closed Captioning in North America.

Click on the CC option in YouTube to see the captions (or click on the “...” menu and view Transcript). The following text in the captions/transcript are capitalized:

0:40	1:06	1:46	1:56	2:08
