

# Prexycy Quest: The First Cryptex Hunt Solution Guide

## Farmer Maze (Ice Pillar)

Mapping out the farmer's pen, you'll get the following:

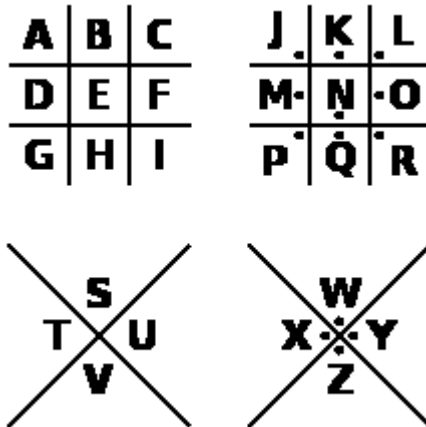

where P = pig, and SP = spotted pig.

The key to realize is that you're walking through a pigpen, as in the pigpen cipher, and each pig represents a letter, giving the following:

Although there are many possible ways to layout the pigpen cipher, the standard variant works:
