Also, when going through the dungeon, you'll notice some rooms have scratched numbers in them. Filling in the crossword and extracting the letters:

1	2	3	4	5	6	7	8	9	10	11	12
T	E	L	L	I	D	O	L	M	Y	T	H

To access the Cryptex Chamber, you need to go to the room in the center of the grid and TELL IDOL MYTH

At this point, you need to provide the answer to the Cryptex. The 3D cryptic crossword has windows in the ends of each of the corridors, prompting you to look at each of the ends. Each face of the cube has four windowed rooms with letters jutting out, three letters the same plus one different. The matching letters can be arranged A-F:
