

Prexycy Quest: The First Cryptex Hunt Solution Guide

Vortex

The Vortex is the start of the finale and the meta for the previous five daily puzzles. If you put the answers you received in the order shown on the directory in the Cryptex shop, you get the following:

1	Pillar of Ice	PAGODA
2	Pillar of Electricity	UNSEEN
3	Pillar of Acid	NEWSUN
4	Pillar of Poison	SENSES
5	Pillar of Fire	SWEDEN

Note that, besides Pagoda, all the other answers are directional (N, S, E, W, U, D).

Solution:

Go to the Pagoda (find it on the map) and move in those directions (starting with Up, for U in UNSEEN) in order until you make it through the Vortex.
