

Are you smarter than a robot - Part 1

Puzzle 02

To solve the first part of this puzzle, you only have to find the route through the maze, collecting the letters you cross over along the way.

When you do, it will spell out the solution: **ASIMO**

Can you help this little lost robot find a route through the maze?

The maze contains the following letters in a grid-like structure:

N	C	I	M	M	O
O	N	Y	T	F	T
S	U	F	R	I	O
B	M	O	U	F	A
L	I	B	E	R	F
E	G	A	A	S	O

Are you smarter than a robot - Part 2

Puzzle 02

The second part of this puzzle is a simple version of a route cipher, with a path given by the spiral above the robot's head. Read along that path, skipping the letters used in Part 1.

When you do, it will spell out the message, "NOBLE GAS OF ATOMIC NUMBER FIFTY FOUR", pointing to an answer of **XENON**

Can you help this little lost robot find a route through the maze?
